Hello again from Ireland! It is our honour to serve the Lord along with so many faithful people all over the world who love the Lord Jesus and love people! Thank you for faithfully praying for us and supporting us here in Ireland! What I get to do is awesome! A man named **Sergé** came up to me right after church in August asking "just HOW can someone really KNOW that they are born again?" What a great question, and what a great answer is found in the very word of God "believe on the Lord Jesus Christ and thou shalt be saved" (Acts 16:31)! I went through the whole Gospel with him, and he was so broken to know that God had made such a simple and perfect way to be translated out of darkness into the kingdom of God's dear Son!!!

Summer Bible Club. What a week! We had **117** children attend, with **4** of them wonderfully saved! The theme of the Club was "**Space Station Genesis**", and we built our very own Space Station. Along with the preaching and teaching, we had so much fun and excitement! It was our best Club yet!

Teen Target the Heart Evangelism Blitz #2. Yes, I guess we are gluttons for punishment! We held a **SECOND** Target the Heart meeting this Summer! And it was a great success! **63** area teens attended during the week, and **38** of them were brand new visitors! Best of all, **3** of the teens were born again, and **dozens** responded to the challenge to live completely for the Saviour! I am so humbled to watch God still work on young hearts and lives just as He did **MINE** 35 years ago! Amen and amen!

Our FIRST Teen Mission's Trip! Right after such a busy Summer, with the Bible Club and Target the Heart

meetings just days behind us, a couple of us men took 5 of our outstanding Teens on an amazing journey to Exeter, England in August for their very first Mission's Trip! It was great! We got to minister to the church there, sing and preach on the street, do personal soul-winning, help out with their weekly Bible Club, and Sunday School class, and just generally try and be a blessing! But oh did WE come back home blessed and encouraged, and burdened for all the small churches across Europe! Can't wait for next year's trip!

Short Get-Away... My wife and I took a short, three week break back to the States, and boy did we need it! We have been in Ireland 21 years, and been on only two short 4 month long reporting furloughs, but no real break from the ministry. So we have decided that in 2016, when we take our last daughter (Sarah) to Bible College, we are going to take a real furlough – up to a year! I ask that you consider helping us with a little extra, financially so that we can take the break that we need. It is more expensive doing a furlough than most realise. We do plan to report to many of our churches, and look so forward to it! Thanks for praying with us about this.

Some things to pray for: The new believers; Our annual **Light the Night October 31st Church Service**, and Christmas events like our **Public Christmas Choir Sing** in the local Shopping Mall, and our **Christmas Cantata!** We are so grateful for you faithful support of us! May God bless and keep us all joyful in the Gospel ministry!
