November / December 2022

Greetings and salutations from Ireland! As things are kind of quieting down just before Christmas, I spend this time of the year praying and preparing for next year's events and outreaches and ministries. I am finishing up our year-long verse-by-verse study through the Book of Acts, and have to admit, it was one of my favourite preaching series yet! All next year we will work through the Book of Romans! Such treasure, found in such truths – I can't wait for January!

I am so excited that our church here just took on a new missionary family for Support! They are missionaries FROM Italy, who are starting a church IN Italy! Hallelujah! THAT is how Europe will be reached in the future – by its own people!

I got to attend a Camp Meeting in Scotland in October. It was such a refreshing time for me to meet up with a lot of other missionaries and their families over in Scotland! The preaching and fellowship was a great encouragement to me, and I got to preach as well! I am so grateful for every ministry that ministers to the ministers!

I have started a Group Discipleship Class on Sunday mornings. 16 people arrive to church an hour before it starts, and we are working through my First Principles Discipleship course as a group. The study course was written to be done *one-on-one*, but works in a group as well. I just make sure I ask plenty of questions, and allow plenty of questions back! It is exciting to see so many new couples, and young men and women hungry for systematic, strong Bible teaching!

Our October 31st "Light The Night" Church Service was great! 70 of our church people and their children gathered and forgot about all the darkness outside (both spiritually and physically)! Every year we encourage one another to SHINE by our lives, our homes, and our words! And we have a lot of fun when we are together!

The church here is holding a Week of Prayer together every night this week. As I write *this Prayer Letter*, our church is meeting together to pray for more PRAY-ers (for more people to pray)! Every Christian WANTS to pray, but few actually do. So, we are praying for pray-ers! And we are looking forward to God drawing our hearts closer to Him, since that only happens WHEN we pray!

Upcoming Events and people you can pray about... 1) Our Church Christmas Carolling and tracting in Ballincollig. 2) Robynson M to get saved! **3) Ashling** to get saved (she is starting to be faithful coming out to church). **4) Jonathan H** has been diagnosed with serious cancer and has started treatment – he needs a miracle! **5) And Stephen G** just found out HE has cancer in his face. Please ask God for a miracle to graciously heal him!

One final request... if you have any unused "Great Hymns of the Faith" hymnals, let me know. We will pay for shipping. We need more of them – and YES, we still use the old fashioned way of Hymnal in a hand!

May the Lord grant us all a great door of opportunity to preach and turn this generation to God, no matter what adversaries we may face in 2023! Have a wonderful Christmas everyone, and a Spirit-filled New Year!

THANK you for supporting our labours here!
